SPECIALIZING IN SENIOR SOCIALIZATION, CARE AND GROWTH

WHAT WE DO...

SENIOR SOCIAL CLUB is a licensed community based adult day program that provides daily services to the elderly and adults.

Our Programs are individualized for each participant based on their needs and plan of care. We provide various activities, mental stimulation, proper nutrition and daily socialization.

By focusing on maintenance and stimulation of physical and mental health, Senior Social Club enables the participant to maintain as high a level of functioning as possible, thereby allowing them to remain in their homes and communities as opposed to being institutionalized.

"Dignity and Respect is deserved and demanded for all."
- Mark Hansen, Administrator
